is Publisher of  
Peer-Reviewed,  
Timely, and  
Innovative Re-  
search Works.

## **CRGS 2022**

**22~23 MARCH | BS, CANADA**

CRGS 2022 draws an emerging platform of discussion, networking, and recent ideas to adopt Sustainable Development Goals (SDGs) at the edge of digitalization.

Adaption of academic and industrial solution models along with lessons learned from global practices positively contributing SDGs.

To join global efforts toward realization of transforming the world and secure societies' resiliency, you are welcome to share your knowledge and explore new opportunities within a broad theme of SDGs topics.

## WHY SHOULD ATTEND

...

### CRGS 2022 TRANSFORMS YOUR VISION INTO CREATIVE RESULTS!

CRGS 2022 calls for transboundary researches, experiences, case studies, and lessons learned to establish a global dialogue on Sustainable Development brings together scholars, researchers, and field practitioners conducting projects and research to achieve the United Nation's 17-SDGs.
